*Seneca East High School*

*Attica, Ohio*

## *DEDICATION*

We, the third graduating class of Seneca East High School, are proud to dedicate this edition of the annual to a person who is kind and considerate to her students. She is always willing to let her students voice their opinions and ready to lend a helping hand. In the classroom she is able to convey the facts and still able to keep the subject interesting. She is a teacher well liked by all.

Therefore, we, the senior class of 1973, proudly dedicate this edition of "Tiger Paws" to Miss Rosellen Clark.

### WE THANK YOU FOR YOUR SERVICE AND TRUST

In 1878 the Banking House of Lester Sutton was formally established. Two years later the first graduating class of Attica High School included Leonard L. Sutton. A little later the Class of 1889 included Charles C. Sutton.

Thus began an enduring partnership between the Seneca East Schools and THE SUTTON STATE BANK. The school has prepared young men and women to earn a good living and to contribute to the prosperity of our community. Moreover the school has always been the source for the best available help in the actual operations of the bank. Today every employee and every officer of THE SUTTON STATE BANK is a graduate of Seneca East High School:
